FARM **5K** FRESH

All -Terrain Run/Walk

This all-terrain race will offer a course that surveys the diverse landscape of Shepherd's Corner Ecology Center. Run alongside natural gardens, across meadow trails, and through wooded paths.

Feed the Hungry

Over the past eight years, Shepherd's Corner has donated 22,000 pounds of naturally grown produce to local food pantries. We are committed to donating 60-65% of our harvest to feed the hungry in our community. Participating in the **Farm Fresh 5K** makes you a partner in this life sustaining effort.

Saturday, June 10, 2017

Race starts at 9:00 a.m.

We love dogs but because of our livestock, we don't permit dogs on the property.

About Shepherd's Corner

Shepherd's Corner is an ecological ministry supported by the Dominican Sisters of Peace, offering a wide array of agricultural, educational, and spiritual opportunities. It is a 160-acre sanctuary surrounded by suburban sprawl. In the midst of diminishing farmland and wilderness, Shepherd's Corner seeks to provide a place in which people of all backgrounds can reconnect with the natural environment, themselves, one another, and the Creator who made them all.
