Team up!

You can increase your impact by forming a fundraising team:

- Ask friends to run on your team*
- Ask friends to donate to your team
- Spread the word!

If you would like to set up a fundraising team, please contact sceecologycenter@oppeace.org. Team captains do not need to be runners.

Please tear off and mail us this form if you would like to support a team. Or visit our website to make an online donation.

**Please note: if you intend to run/walk in the 5K, please fill out the registration form. This form is for team members not running/walking.*

17th Annual

Farm **5K** Fresh

All -Terrain Run/Walk

This all-terrain race will offer a course that surveys the diverse landscape of Shepherd's Corner Ecology Center. Run alongside natural gardens, across meadow trails, by a wetland, and through wooded paths.

Feed the Hungry

Over the past fifteen years, Shepherd's Corner has donated over 42,995 pounds of naturally grown produce to local food pantries. We are committed to donating produce to feed the hungry in our community. Participating in this annual event makes you a partner in this life sustaining effort.

Saturday, June 10, 2023
Race starts at 9:00 a.m.

See website for fun run prize distribution information.

We love dogs but because of our livestock, we don't permit dogs on the property.

About Shepherd's Corner

Shepherd's Corner is an ecological ministry supported by the Dominican Sisters of Peace, offering a wide array of agricultural, educational, and spiritual opportunities. This sanctuary is surrounded by suburban sprawl. In the midst of diminishing farmland and wilderness, Shepherd's Corner seeks to provide a place in which people of all backgrounds can reconnect with the natural environment, themselves, one another, and the Creator who made them all.
